Department of Electrical & Electronic Engineering

BSRM School of Engineering, Brac University

Certificate of Recognition

This is to certify that Mr. Md. Saadman Sakib Alvi bearing ID: 20121066 has volunteered in the 4th Alumni Advisory Panel (AAP) and Industrial Advisory Panel (IAP) meeting organized by the Department of Electrical and Electronic Engineering on the Brac University premises on August 27, 2023.

His significant contributions encompassed meticulous event planning, invaluable assistance to faculty members, adept arrangement of the Final Year Design Project (FYDP) showcase booths, gracious reception and hosting of arriving guests, careful souvenir preparation, and effective coordination with stakeholders to ensure seamless execution of the event.

Demonstrating excellent adaptability, responsibility, and dedication, his performance in these domains stands out notably.

The EEE Department extends its best wishes for continued success in his future endeavors.
